The Biotechnology Department, of Fergusson College presents an astounding fest, Chimera 2016-2017 like never before. This two day event is sure to leave you craving for more.

- On the 29th, gear up for the
  1. The all new Infinite Race; Run and battle your way into the world of Hogwarts. There are clues to follow, pit points, challenges', detours to make and no time to drop. "Harry-up" and register for free today.
  2. Quiz- An intercollegiate team event exclusively for the biotechnology students. The theme is of course our very own subject, because #itsabiotechthing.
  3. Face-painting- Bored of painting on papers? No worries, we bring to you one of the many fascinating events. Bring along a partner and face paint based on a theme.
  4. 2 minute games- Long, boring games, not your cup of tea? Try out these mind boggling and amusing games at our department.
- On the 30th, gear up for the
  1. Treasure Hunt- The "MARVELous" treasure hunt which will take place on our very own Fergusson College Road. So "Iron-up man!" for the exciting hunt.

2. Social Outreach- Kids from an NGO, “Azaadiyaan” shall be joining us for the two eventful days.
3. Ad-Mad Show- Love humming jingles, making two liners and advertising products? Well if you answered yes, then this game is for you. Advertise the given product and win exciting prizes.

The registration is absolutely free. Come join us and help make this event, Chimera-2016 a grand success. Not to forget, there are exciting gifts and vouchers in store.
