NOTICE
MADHYAM 2017-18

Contributions are invited from students and staff members (teaching and non-teaching) for the Annual College Magazine, Madhyam 2017-18. This year, we plan to make our magazine theme-based. In keeping with contemporary environmental concerns such as Global warming and Climate change, we have decided to pick the theme of '**Back to Nature**'. The world this year is also celebrating the Bicentenary of Henry David Thoreau, the well-known American naturalist and philosopher who inspired Mahatma Gandhi. Thoreau actually experimented with the idea of going back to Nature by living in the woods for two years and recorded his experiences through his book, *Walden*.

Can we similarly think of returning to Nature? Is it feasible in this age of digitization and automation? Even if it comes across as merely a Utopian ideal, can we at least make a start somewhere and integrate it into our lives in small ways?

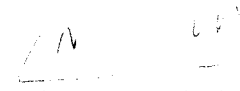

We welcome your opinions and experiences on all these and related issues through articles, stories, poems, travelogues, sketches, paintings and photographs. You can also send in tiny fillers for the magazine in the form of small anecdotes, jokes, riddles, puzzles and quizzes, all centred around the theme of '**Back to Nature**'.

You can mail your contributions as attachments in MS-Word format only to fc.madhyam@fergusson.edu Contributions can be in English, Marathi, Hindi, Sanskrit, French or German. Photographs must be sent as separate attachments in the form of .jpg/.jpeg files. Please give captions to all your photographs and ensure that they are of a high resolution (HD) to procure the best printing quality. All contributions must be accompanied by the Name and Class (for student contributions) and Name, Designation and Department (for staff contributions). In case any material is taken from other sources, kindly acknowledge the source. In case you wish to submit anything in the form of hard copies, we will keep a drop-box for the purpose in the Bai Jerbai Wadia Library (Ground Floor).

Last date for submissions: January 15, 2018.

We look forward to a huge response from you! Thank You!
