Fergusson College (Autonomous), Pune**

Composition of Internal Quality Assurance Cell (IQAC)

The IQAC plays a pivotal role in enhancing and maintaining the quality of education of an institute. Its role has become more important with the changing scenario in Indian higher education. Our IQAC was established in the year 2004 when the college went for first assessment and accreditation by National Assessment and Accreditation Council, Bangalore (NAAC). Since then, the college has undergone three cycles of assessment and accreditation and scored 'A' grade in all the three cycles. After the third cycle, the College was awarded 'autonomous' status by the University Grants Commission (UGC). This year our College has entered third year of autonomy. Our curricula and examination/ assessment methods have under gone major revisions.

The assessment and accreditation manual of NAAC and proforma for Annual Quality Assurance Report (AQAR) have been revised and now it is separate for autonomous colleges. There are also revisions in the composition of IQAC. As per revised guidelines for creation of IQAC in autonomous colleges, the IQAC composition is as follows:
