## B.Voc INTERIOR DESIGN

offers two core design aspects  
RESIDENTIAL & COMMERCIAL Space Designs.

Bachelor of Vocation – Interior design: Interior design is more than 100-year-old subject with historic background but at the same time it's very much essential and prestigious topic in 21st century. Because changes are happening in Interior Technology, Designer has new role to play in allied sectors like Designing, Freelancing, Contracting, Trading, Modular market, 3D visualisation etc.

B.Voc INTERIOR DESIGN offers two core design aspects RESIDENTIAL & COMMERCIAL Designs.

The Interior industry is one of the most blooming sectors today. It requires influx of young creative innovative brains, with over-whelming energy, equipped with design skills every year.

B.Voc. in INTERIOR DESIGN offers one of its own kind opportunities to the 12th grade pass students of any stream to pursue this enticing career option. The most unique quality of this programme is that after successful completion of first semester the student will get a CERTIFICATE, after second semester a DIPLOMA, after fourth semester an ADVANCED DIPLOMA & after sixth semester a DEGREE. The idea is very clear that after every two semesters the student should be industry-ready with at least 5 INTERIOR related skills along with professional and ethical understanding of that specific vertical of the INTERIOR industry.

The B. Voc. Programme is a credit-based programme with a total of 180 credit points over a span of three years. (60 credit points per year.) The programme runs with 3 components, one is RESIDENTIAL DESIGNS, COMMERCIAL DESIGNS & INDUSTRY READY Skilled components. It includes the General Education component, which is designed to develop language skills, Visual Design, General awareness about the Designing and various Material study.

What qualities we would like to develop our future INTERIOR DESIGNERS

Vision to go beyond capabilities and build a name for yourself professionally.
