

Fergusson College (Autonomous) Pune

General Infrastructure

- The College has a sufficient number of [classrooms \(79\)](#) which are very well ventilated with spacious seating arrangements. In many of these classrooms, conventional as well as advanced teaching aids can be used.
- The Tutorial building houses Philosophy, English, Marathi and Hindi departments and classrooms. The Psychology department has a separate building, classroom and laboratory.
- All Science departments have separate buildings and laboratories for general as well as research programmes. There are [52 laboratories](#) for General programmes and 15 laboratories for research. Laboratories for research in Animal Cell Culture and Plant Tissue Culture are housed in the Department of Biotechnology. All science laboratories are ICT supported. The Department of Animation laboratories have high end facilities like workstations with 2D and 3D animation.
- Special research facilities include Central Instrumentation laboratory (Chemical Sciences, Life and Earth Sciences), which has high end research equipment like Atomic Absorption Spectrophotometer, High Performance Liquid Chromatography, Gas Chromatograph, Infrared Spectroscopy and UV-visible Spectrophotometer.
- Other teaching-learning facilities include Language Laboratory, Computer laboratories and [Computational Centres / IT Zones](#) with net connectivity for students.
- There are 13 audio-visual halls and [01 Amphi-theatre](#) (Heritage Building) and recently [01 open air Amphi-theatre](#) has been constructed. Kimaya and Lower Recreation Hall are separate spaces marked for extra-curricular activities.
- Animal House in the department of Zoology, which was used only for storage of preserved specimens. Currently the space is used as a student research laboratory.
- [Weather Station](#) is housed in the new academic complex building which has [WeatherLink Software 6.0.3](#). It records temperature, rainfall, wind speed and direction and humidity.
- Geology, Physics and Zoology Departments have [museums](#) with a rich collection of specimens and scientific models and supported under [Special Heritage Status Scheme](#) of University Grants Commission.
- The Campus has internet connection with bandwidth of [200 MBPS](#). The total number of computers in the campus are 820 and 17 computer laboratories.
