Minutes:

1. Each Department will collect information about the previous Industry Collaborations and also identify new industries for the collaboration.
2. Each Department will collect last 2 years data of students, who are pursuing higher studies abroad and Indian Universities after UG / PG from our College. From this year, we will keep a track of students with the help of Recommendation Letters and necessary format will be generated for it.
3. To keep a track of Recommendation Letter, we need to make necessary changes in ERP System and will make a tool available to each student login and teachers' login.
4. Under the Career Facilitation Centre (CFC), we will decide certain parameters to choose University for Higher Studies that will help students to choose their best Foreign University for the Higher Studies.
5. College will arrange one Conference for the students to introduce them different career opportunities and industries in which they can work and to conduct this activity, each Department will submit a document to the CFC, which will elaborate opportunities and list of industries.
6. Each Department will invite at least 1 Industry Person and Researcher or other University's eminent Academician for the Syllabus Restructuring Workshop.
7. Create a Format to maintain Students' Internship Record at each Department and also make a necessary provision in ERP to maintain this record and generate a Report.
