MEMORANDUM OF UNDERSTANDING (MoU)

Between iXRLabs and Fergusson College (Autonomous), Pune

WHEREAS

iXRLabs Learning Solutions Pvt. Ltd. ("iXRLabs") is a company developing virtual reality-based learning solutions

5. The College will share inputs in the publication of a research paper/white paper based on the pilot project. The research paper will highlight the benefits of VR in the field of engineering education specific to the field of implementation.
6. The College will provide inputs of academic nature for creating effective VR modules. The institute would provide access to the college labs for collection of academic content to an extent the institute deems fit.
7. The College will facilitate recognition of iXRLabs as a technical partner in the project
8. iXRLabs will recognize the College as early adopters and academic partners in marketing and press material.
9. iXR Labs will also provide a platform for post graduate students for undertaking internships.
10. Both parties will be allowed to communicate this collaboration to customers and other third parties and mention it in their promotional materials and activities. Such promotional activities may include sharing each other's products, images, and media mater. Whereas, iXRLabs is referred to as the "technology partner" and the College is referred to as the "academic partner".
11. Subject to the successful implementation of this memorandum, both parties may see the potential for even deeper integration of developing course content in virtual reality and respective teams may explore further steps in this direction.

Article 2

The implementation of MoU or joint project based on this agreement shall be negotiated on a case-by-case basis and agreed upon in writing by both institutions. Any such collaborative programme or joint project entered into, as outlined above, will form an appendix to this basic MoU

Article 3

The collaborative programme or joint project(s) as mentioned in Article 2, are not intended to be legally binding documents. They are meant to describe the nature and suggest the guidelines of the programme or project. Nothing, therefore, shall diminish the full autonomy of either university/ institution, nor will any constraint be imposed by either upon the other carrying out the MoU

- b) In case of any unsolved dispute, the parties shall refer the said dispute for arbitration. The decision of the arbitrator shall be final and binding on both parties. The provisions of Arbitration and Conciliation Act, 1966 and successive amendments (if any) shall apply to such arbitration. The place of arbitration shall be Pune.

As witness to their consent to this agreement, the appropriate authorities here unto provide their signatures.

In Witness Whereof the Parties hereto have signed this Memorandum of Understanding at Pune on 25th of June 2024 year.
